

9 Greta Grove House, Elliott Park, Keswick
Access Guide

If you have any queries regarding the following guide please email angela@keswickholidayhomes.co.uk or phone 01768 201042. I will be pleased to help in any way that I can, Angela Spooner

General Statement

9 Greta Grove House is a modern second floor apartment in a quiet residential low rise block built in the early 1990s. The entrance is via the ground floor and all accommodation is all on the second floor.

- All skirting boards are white contrasting with the light coloured (white or cream) walls and light carpet or linoleum floors.
- All bedrooms have lights beside the beds as well as main lights, most sockets are around 43cm high.
- The property is totally non-smoking.
- All rooms have thermostatically controlled radiators which can also be regulated by individual radiator valves.
- All electrical equipment is PAT tested regularly for safety.
- Mobile coverage is generally good for any service although in exceptionally bad weather, signal may be interrupted.
- The bus terminus is just 200 metres away. The nearest railway station is Penrith some 18 miles away. There is a regular bus service to Keswick.
- Shops in the town centre are approximately 2 minutes' walk away – the theatre and lake are a further 10 minutes walk. Car hire and taxis are available in the town.
- There are RADAR toilets in the town in Central Car Park (6 minutes walk), on the old railway station, and at Lakeside by the Theatre by the Lake.
- Our property information and all correspondence can be supplied in large print on request.
- No furnishings or bedding contain feathers for guest's comfort.
- The property has smoke alarms and a fire alarm system which is checked regularly.

Car Park

Space No 9 is 250cm wide and 5m long. The car park is tarmac and is level. There is a very small 5cm sloping step onto a paved pathway 120cm wide which leads to the entrance to Greta Grove House.

Greta Grove House Entrance

9 Greta Grove House is accessed through the main entrance of the building.

Threshold step over front door is 4 cm high and the main building front door 78cm wide. There is a second internal fire door which is 76cm wide.

The intercom/buzzer for the apartment is 150cm high.

Building Hallway

The main building hallway is light, with glass panels and natural light. There are also lights which are triggered by movement and come on automatically. There is also an emergency lighting system when required. The floors are carpeted with short pile durable carpet.

The apartment is situated on the second floor - there are four flights of 8 stairs. The stairs are 17cm high and 90cm wide. There is no lift access.
