

Victoria, Derwent House, Portinscale CA12 5RD
Access Guide

If you have any queries regarding the following guide, please email admin@keswickholidayhomes.co.uk or phone 07975 597672. We will be pleased to help you.

General Statement

Victoria is a two-bedroom second floor apartment in the newly renovated Derwent House in Portinscale, near Keswick. It has recently been refurbished to a very high standard and offers luxurious contemporary accommodation in a classic Lakeland building.

- The apartment has two double bedrooms and a family bathroom.
- The lounge diner and open plan kitchen has all new appliances, including oven, hob, fridge freezer and dishwasher. The washer/dryer is in the hall cupboard.
- All skirting boards are soft grey/green with white walls and laminate or linoleum floors.
- All bedrooms have lights and USB power sockets beside the beds as well as main lights.
- All door handles inside the property are at 97cm high.
- The property is totally non-smoking.
- All rooms have individually controlled electric radiators.
- All electrical equipment is PAT tested regularly for safety.
- Mobile coverage is generally fair for any service although in bad weather, signal may be interrupted.
- Our property information and all correspondence can be supplied in large print on request.
- No furnishings or bedding contain feathers for guest's comfort.
- The property has smoke alarms and a fire alarm system that is checked regularly.

Car Parking

There is no allocated parking but on street parking is available in front of the Derwentwater Hotel.

Derwent House Entrance

Victoria is accessed through the main entrance in the corner of the building, next to the car park ramp for Derwent Manor. The threshold step over the front door is 26cm high and 14cm deep and the main door is 74cm wide.

Building Hallway and Stairs

The building main door leads into a small 74cm wide hallway and staircase. The stairway is lit via windows and electric lighting, which is triggered by movement and comes on automatically. The flooring in the hallway is hard wearing entrance matting and the stairs are carpeted.

Victoria apartment is situated on the second floor. There are four flights of stairs leading up to the entrance to the apartment that are configured as follows:

- The first flight has 9 stairs, leading to a small landing with a 90-degree left-hand turn
- The second flight of stairs has 7 stairs, leading to a small landing with a right-hand return
- The third flight of stairs has 8 stairs, leading to a small landing with a right-hand return
